Material/Craftsmanship Warranty

Hardscape Craftsmanship

Coverage up to 3 years for problems that arise as noted below

All material warranties will be provided by the material manufacturer.

- If any pavers sink or settle to more than 3/8 of an inch compared to adjacent pavers, walls, or stair treads within 3 YEARS after we install them, we will come back and repair them for at no charge
- If you have any hardscape caps that are secured to a concrete block that come loose, we will come back to re-secure them at no charge
- If any stone veneer that was installed on various features of the project becomes loose, then we will come back and repair them for no cost to you
- If any wall block becomes loose or is showing signs of settling, we will come back and repair them

Please do not hesitate to contact us if you see any signs of distress in a retaining wall.
** This warranty does not cover any repairs in regards to fading or discoloration, algae or mold growth, scratch, chipped, or cracked concrete, and raised areas caused by tree roots.

Carpentry Craftsmanship

Coverage up to 1 year for problems that arise as noted below

All material warranties will be provided by the material manufacturer.

• If any deck boards, fence posts, ceiling boards, fascia boards, trim, and other similar finishing lumber becomes loose, we will come back to secure them

** This warranty does not cover any repairs in regards to fading or discoloration, rotting or termite damage, shrinking or warping boards, cracking, and general lumber wear and tear. Any mold that may or can appear on composite will also not be warrantied is solely up to the homeowner to maintain cleanliness.

Landscape Lighting Craftsmanship

Coverage up to 3 years for problems that arise as noted below

All material warranties will be provided by the material manufacturer.

- If any light fixture is showing signs of dimness or loses lights completely, we will come back and repair them for free.
- If the power supply or transformer is not working for whatever reason, please contact the office first and we will troubleshoot the problem. Most of the times, these items are warrantied under the supplier.

** This warranty does not cover any cut wires or damaged fixtures caused by others.

Sand & Sealer

Coverage is contingent

All material warranties will be provided by the material manufacturer.

- Any joint sand or sealer that was used in the project is not warrantied. If any areas were noticeably missed during the install, please contact the office and we will return to address this.

Plants

Schifsky Companies provides a one (1) year replacement warranty on installed plant material only when a drip irrigation system is installed by Schifsky Companies at the time of plant installation.

This warranty covers plant material only and does not include labor costs associated with removal, replacement installation, service calls, or additional materials.

Warranty coverage is contingent upon the irrigation system remaining fully operational during spring, summer, fall and being properly used and maintained by the property owner.

All evergreens must be burlapped and proof of burlapping per industry standards.

Boxwood and arborvitae are not warrantied from winter burn or dying from season to season due to winter.

Electrical and Plumbing & Sub-Contractors

Coverage up to 3 years for problems that arise as noted below FREE

- All electrical and plumbing work that was performed and documented by a certified contractor will be held responsible for any repairs or issues that may arise. Any electrical work or plumbing work that was performed by Schifsky Co will be assessed and repaired at no cost to the client

- Any work that was performed by a sub-contractor and needs attention will be taken care of by the sub-contractor. Please always contact the office first on the matter, before any actions are made.

Warranty Notes

- Warranty will be voided if alterations or changes are made to any part of the contracted scope of installation by anyone else other than Schifsky Co or an approved sub- contractor.
- It is the customer's responsibility to locate, clearly identify, and notify Schifsky Companies of all private underground conduits, wiring, pipes, septic systems, etc. Any damage to such underground conduits, wiring, pipes, septic systems, etc. shall not be the responsibility of Schifsky Co to repair. When the project is completed, Schifsky Companies will provide a site schematic markup of roughly where the utilities for the project were installed.
- Schifsky Companies does not warranty naturally occurring efflorescence of pavers, stains, or any damage due to uncontrollable circumstances. This is why we highly recommend sealing your pavers. Protect Your Investment!
- Concrete cracking will not be warrantied.
- Seamless turf installation seams are not warrantied
- Warranty will be voided if high pressure water is used to clean the surface or joint lines of the pavers. Please use a low PSI pressure washer, preferable electric.
- Warranty will be voided if new excavation, digging, or soil removal occurs within 4 feet of any finished hardscape system.
- Tree roots from existing trees can damage the interlocking paver system. We do not offer a warranty to protect the paver system from damage or lifting caused by existing tree roots.
- Natural occurrences or disasters are not covered by the warranty.
- Shifted or sunken pavers due to improper use such as vehicles or lawn mowers driving on or off the edges are not covered under the warranty.
- Edge restraints can be altered during deep freezes. If requested, we will repair and reset the affected edge restraints one time during the warranty period.
- If a warranty claim is made, it must be submitted within the noted warranty period. Requested repairs are made by the Schifsky Companies team, or one of our approved sub-contractors, and the costs for the repairs are covered by us. If you wish to have another company complete the repairs, we do not compensate you for the repair, and the warranty will be voided.
- All construction shall, unless otherwise specified herein, carry a 36-month warranty from the date on the invoice on materials and workmanship excluding neglected maintenance, misuse, vandalism, or damage natural occurrences or disasters.
- All material is warranted to be as specified.
- Late Payment: all final payments are due upon completion of work. Late payments for projects will result in the termination of the warranty.
- Warranty period begins from date of completed construction.
